What's On Campaign

We produce a What's On print campaign to coincide with our summer and Christmas campaigns. This campaign includes multiple foamex boards around the pier in all high traffic areas, flyers, on the Cromer Pier promenade and within The Cromer Pier Show/The Cromer Pier Christmas Show programme. Your production will be included on all print material.

Social Media

Please see below our social media handles, tag us where possible and we will reshare all content:

- Facebook: [@thecromerpier](https://www.facebook.com/thecromerpier)
- Instagram: [@thecromerpier](https://www.instagram.com/thecromerpier)

We post regularly on our social media – if you have a specific post in mind, please send all copy and images to Bethany at bgraham@cromerpier.co.uk. If not, we will construct social media posts ourselves.

For each production, we set up a Facebook Event for audiences to get involved with. If you wish to set up your own event, we will happily accept shared ownership if this request is sent through.

Paid Extra: Paid social media adverts are one of our most effective marketing activities. Paid ads can be ran from Cromer Pier with whatever content, audiences and creatives that you would like. If you are looking for a boost in ticket sales, we would highly recommend this option. If you are interested in running a paid ad, please let us know your budget and timescale, followed by your creatives and targeting information. We would recommend video adverts as we have found these receive a higher number of clicks from our audience.

Weekly Newsletter

We send a weekly newsletter every Sunday to over 20,000 subscribers. Your production will be included in various newsletters, either using the poster provided or production shots.

Online Listings

Your production information will be submitted to our 3rd party suppliers to be listed on their events pages and what's on listings. This includes Visit North Norfolk, Visit East of England and Visit Norfolk. We then also post on Google Business which is a great push for searchability and SEO.

Poppyland Radio

Cromer Pier is a proud sponsor of Poppyland Radio, the local radio station here in Cromer. Poppyland Community Radio is an award-winning radio station run by a dedicated team of volunteers bringing quality music, interviews, entertainment and special interest shows made by local people, featuring local people and for local people.

Bethany appears on the Mardle show each month and will talk about the upcoming shows for that month

If you'd like to promote your production on Poppyland Radio, head over to [Events | Poppyland Radio](#), click on Get in Touch and fill in the form. The team at Poppyland Radio will be in contact to organise promoting your production.

Press

If you are looking to promote your production to local press, we would recommend contacting the following for interviews or paid advertisement:

- [Poppyland Radio](#) – Local radio station, great for reaching the Cromer community.
- [Cromer Times](#) – Free monthly publication covering Cromer, Mundesley, the Runtons and surrounding villages in association with the North Walsham Times, the Sheringham Independent and the Holt Chronicle. 6000 copies are distributed through letterboxes of homes and businesses as well as the Tourist Office and Cromer Library.
- [BBC Radio Norfolk](#) – BBC Radio Norfolk is the BBC's local radio station covering the county of Norfolk. It broadcasts a mix of local news, information, debate and entertainment, reflecting life in the county of Norfolk.
- [Crab Tales](#) – Free, full colour A4 magazine published every fortnight that promotes local businesses, gives a voice to local charities & organisations and to report local news in the community.
- [Just Regional](#) – Free magazine with over 50,000 copies delivered across Norwich and Norfolk, every four weeks. We would recommend Just Cromer to reach the local community, Just Holt as a large portion of our audiences travel from Holt and Just Sprowston as this catches the larger city of Norwich.
